Mr Sandman

Mr. Sandman, bring me a dream
Make him the cutest that I've ever seen
Give him two lips like roses and clover
Then tell him that his lonesome nights are over

Mr Sandman, I'm so alone
Don't have nobody to call my own
Please turn on your magic beam
Mr. Sandman, bring me a dream

Mr. Sandman, bring me a dream
Make him the cutest that I've ever seen
Give him the word that I'm not a rover
Then tell him that his lonesome nights are over

Mr Sandman, I'm so alone
Don't have nobody to call my own
Please turn on your magic beam
Mr. Sandman, bring me a dream

Would be so peachy before we're too old
So please turn on your magic beam

Delilah

*I saw the light on the night that I passed by her window
I saw the flickering shadows of love on her blind
She was my woman
As she deceived me, I watched and went out of my mind*

*My, my, my, Delilah
Why, why, why, Delilah
I could see, that girl was no good for me
But I was lost like a slave that no man could free*

*At break of day when that man drove away, I was waiting
I crossed the street to her house and she opened the door
She stood there laughing
I felt the knife in my hand and she laughed no more*

*My, my, my, Delilah
Why, why, why, Delilah
So before they come to break down the door
Forgive me Delilah, I just couldn't take anymore*

*My, my, my, Delilah
Why, why, why, Delilah
So before they come to break down the door
Forgive me, Delilah, I just couldn't take anymore
Forgive me, Delilah, I just couldn't take anymore*

Fancy Dress Parade

Children are welcome to come along to in fancy dress with a 'royal theme'

You've Got a Friend in Me (Toy Story)

*You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me*

*You've got a friend in me
You've got a friend in me
You got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together and see it through
'Cause you've got a friend in me
You've got a friend in me*

*Some other folks might be
A little bit smarter than I am
Bigger and stronger too
Maybe
But none of them will ever love you
The way I do
It's me and you, boy*

*And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me*

Diu Regnare (Trumpet Solo)

Music and sing-along

Music by LE8Five Brass Quintet

I'm into something good

Woke up this morning feelin' fine

There's something special on my mind

Last night I met a new girl in the neighborhood, oh yeah

Something tells me I'm into something good (something tells me I'm into something)

She's the kind of girl who's not too shy

And I can tell I'm her kind of guy

She danced close to me like I hoped she would (she danced with me like I hoped she would)

Something tells me I'm into something good (something tells me I'm into something)

We only danced for a minute or two-

But then she stuck close to me the whole night through

Can I be fallin' in love?

She's everything I've been dreamin' of

I walked her home and she held my hand

I knew it couldn't be a one-night stand

So I asked to see her next week and she told me I could (I asked to see her and she told me I could)

Something tells me I'm into something good (something tells me I'm into something)

I walked her home and she held my hand

I knew it couldn't be a one-night stand

Can I be fallin' in love?

She's everything I've been dreaming of

I walked her home and she held my hand

I knew it couldn't be a one-night stand

So I asked to see her next week and she told me I could (I asked to see her and she told me I could)

Something tells me I'm into something good (something tells me I'm into something)

Something tells me I'm into something good

When I'm 64 next week

*When I get older losing my hair, Many years from now.
Will you still be sending me a Valentine, Birthday greetings bottle of wine
If I'd been out till quarter to three, Would you lock the door,
Will you still need me, will you still feed me, When I'm sixty-four*

*Every Summer we can rent a cottage in the Isle of Wight
If its not too dear, we shall scrimp and save.
Grand children on your knee, Vera Chuck and Dave.*

*I could be handy, mending a fuse
When your lights have gone, You can knit a sweater by the fireside
Sunday mornings go for a ride, Doing the garden, digging the weeds,
Who could ask for more, Will you still need me, will you still feed me,
When I'm sixty-four
Every summer we can rent a cottage, In the Isle of Wight, if it's not too dear,
We shall scrimp and save
Grandchildren on your knee, Vera, Chuck and Dave*

*Send me a postcard, drop me a line, Stating point of view
Indicate precisely what you mean to say, Yours sincerely, wasting away
Give me your answer, fill in a form, Mine for evermore
Will you still need me, will you still feed me, When I'm sixty-four.*

ABBA MEDLEY

Mamma Mia

*I've been cheated by you since I don't know when,
So I made up my mind it must come to an end.
Look at me now, will I ever learn? I don't know how, but I suddenly lose control,
There's a fire within my soul,
Just one look and I can hear a bell ring,
One more look and I forget eve'ry thing.
Woh, woh, Mamma Mia – here I go again, my, my,
How can I resist ya,
Mamma Mia, does it show again, my, my,
Just how much I've missed ya.
Yeah, I 've been broken hearted, blue since the day we parted.
Why, why, did I ever let you go?
Mamma Mia, now I really know,
My, my, I could never let you go.*

The Winner takes it all

*I don't wanna talk, about things we've gone through
Though it's hurting me, now it's history.
I've played all my cards, and that's what you've done too,
Nothing more to say, no more ace to play.
Chorus
The winner takes it all, the loser standing small,
Beside the victory, that's her destiny.
The winner takes it all, the loser standing small,
Beside the victory, that's her destiny.*

Super Trouper

*Tonight the Super Trouper lights are gonna find me,
Shining like the sun, smiling, having fun, feeling like a number one,*

Take a Chance On Me

If you change your mind, I'm the first in line,
Honey I'm still free, take a chance on me,
If you need me let me know, gonna be around,
If you got no place to go when you're feeling down.
If you're all alone when the pretty birds have flown,
Honey I'm still free, take a chance on me,
Gonna do my very best and it ain't no lie,
If you put me to the test, if you let me try, take a chance on me,
Take a chance on me.

I Have a Dream

I have a dream, a song to sing,
To help me cope, with anything.
If you see the wonder, of a fairy tale,
Your can take the future, even if you fail.
I believe in angels, something good in every-thing I see,
I believe in angels, when I know the time is right for me.
I'll cross the stream, I have a dream.

Fernando

There was something in the air that night,
The stars were bright, Fernando,
They were shining there for you and me, for liberty, Fernando.
Though we never thought that we could lose, there's no regret.
If I had to do the same again, I would my friend, Fernando.

Thank you for the Music

I've been so lucky, I am the girl with golden hair.
I want to sing it out to everybody,
What a joy, what a life, what a chance!
So I say thank you for the music, the songs I'm singing,
Thanks for all the joy I'm bringing,
Who can live without it, I ask in all honesty, what would life be?
Without a song or a dance what are we?
So I say thank you for the music for giving it to me.

I Vow to Thee My Country

*I vow to thee my country
All earthly things above
Entire and whole and perfect
The service of my love
The love that asks no question
The love that stands the test
That lays upon the altar
The dearest and the best
The love that never falters
The love that pays the price
The love that makes undaunted
The final sacrifice
And there's another country
I've heard of long ago
Most dear to them that love he
Most great to them that know
We may not count her armies
We may not see her king
Her fortress is a faithful heart
Her pride is suffering
And soul by soul and silently
Her shining bounds increase
And her ways are ways of gentleness
And all her paths are peace
And all her paths are peace*

Official Anthem – 'A Life Lived with Grace'

Performed by the Countesthorpe Phollies and Friends Choir and the LE8 Five Brass Quintet.

This is the official anthem to mark Her Majesty the Queen's 70th year of reign.

A Life Lived With Grace' by Lucy Kiely

*When the world has turned to darkness
And there's troubled seas ahead
There's a light that leads the ship back home to shore.*

*A life lived with grace
A heart filled with love
Peace on earth and harmony in the heavens above.
When the day is slowly breaking*

*And the dawn can't find its way
There's a sun that shines upon the world heralding a brand-new day.*

A life lived with grace...etc

*When the night has come a-calling
And the daylight starts to fade
There's a reason why the world rejoices
singing all as one today.*

A life lived with grace...etc.
